**Zadanie 1**

Ala ma

Zjadła

Ile zostało?

**Zadanie 2**

Staś ma

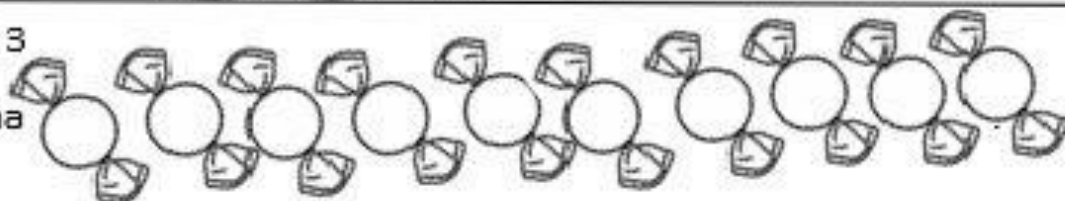

Dostał od mamy

Ile ma teraz?

**Zadanie 3**

Adam ma

Zjadł

Ile ma teraz?

**Zadanie 4**

Ania ma

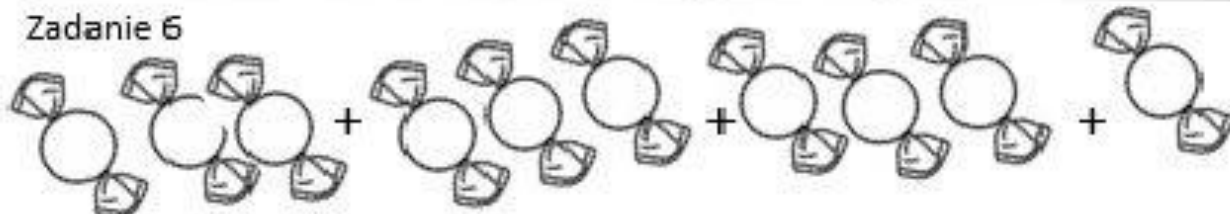

Dostała od taty  
ma teraz?

Ile

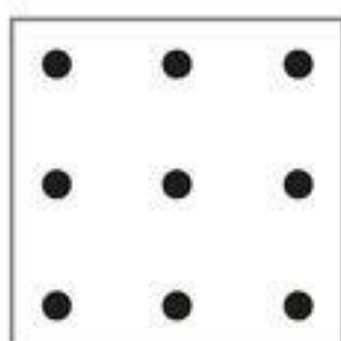

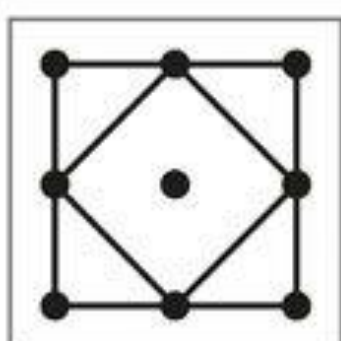

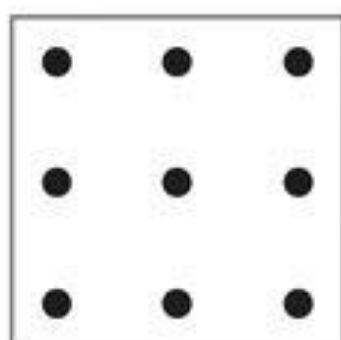

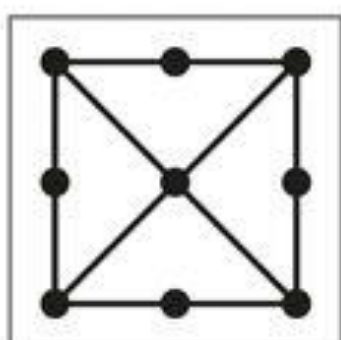

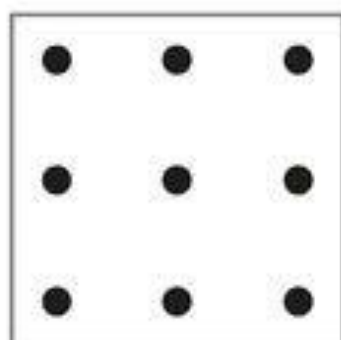

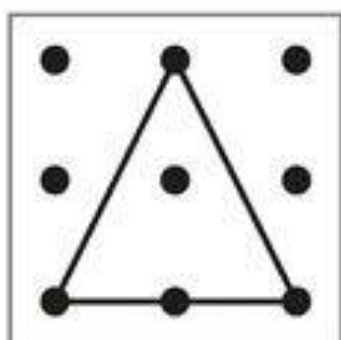

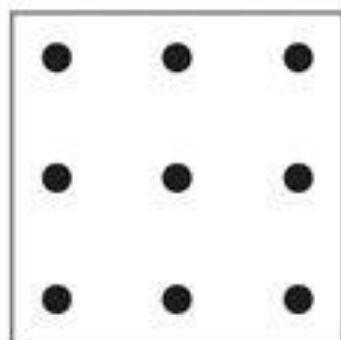

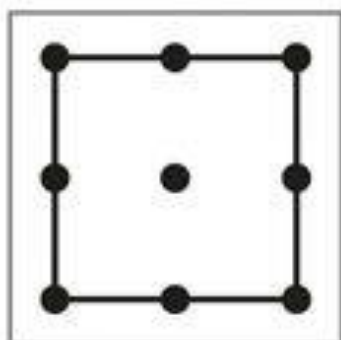

**Zadanie 6**

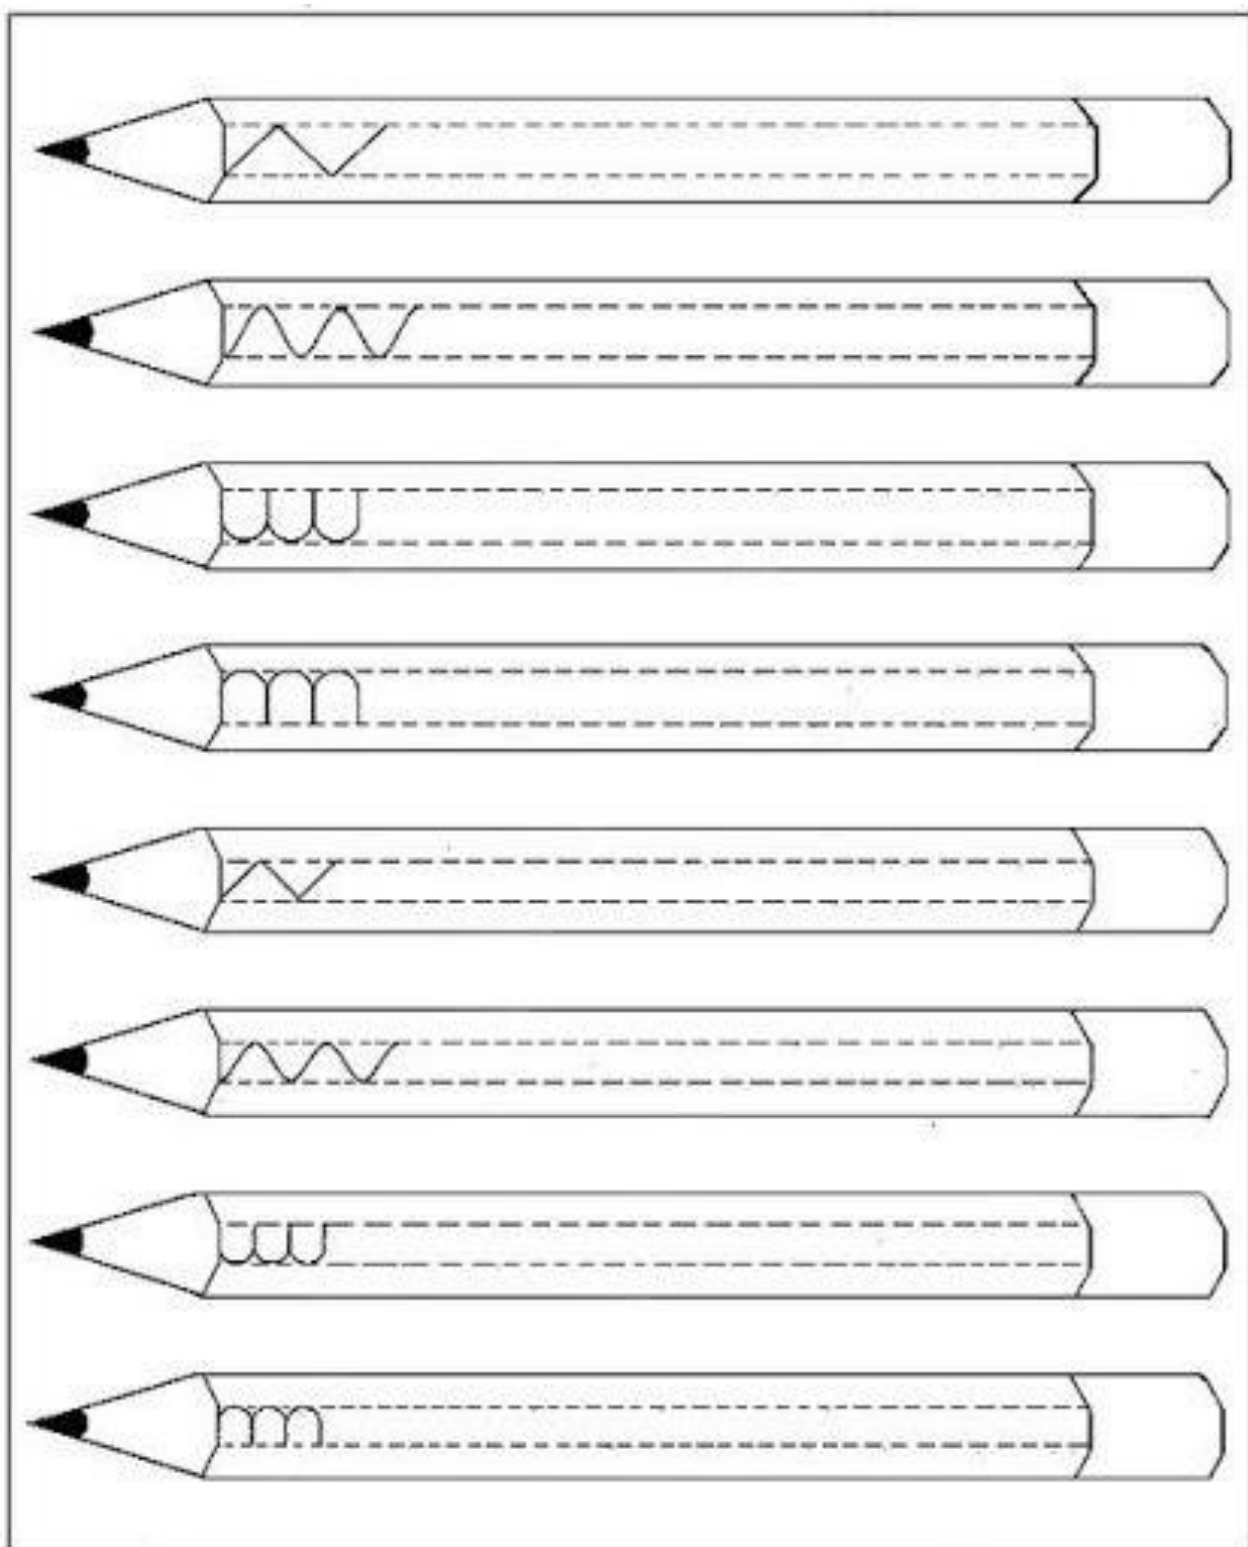

.... + .... + ..... + ..... =

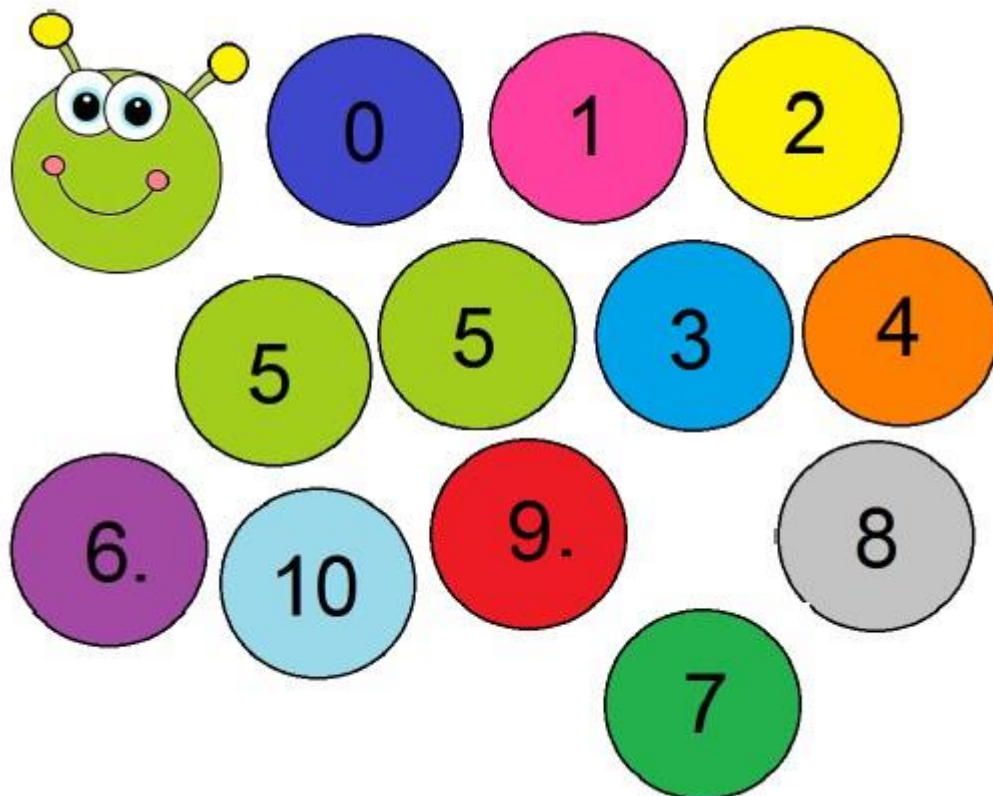

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                      |
